SENIOR PROJECT MANAGER INTERNATIONAL (F/M/D)

WHO WE ARE AND WHAT WE DO:

kr3m is an online game agency and market leader for HTML5 games and technology in the DACH region. Our services range from strategic consulting and conception of gamification, marketing campaigns for branded games and apps to white label portals as well as vouchers and fintech.

Our clients are well-known companies such as Deutsche Bahn, REWE, Rabobank, SWR, Daimler, DER SPIEGEL, ZEIT ONLINE, FOCUS Online, Handelsblatt, Süddeutsche Zeitung, Stern, Bild, freundin, Eltern, COSMOPOLITAN, news.at and many more.

We have 20 years of experience putting together marketing games and concepts for gamification for notable German businesses and publishers as well as international companies. For 10 years we have also created FinTech products.

We are offering a full-time position as **Senior Project Manager international (f/m/d)**:

YOUR RESPONSIBILITIES:

- Planning and implementing gamification apps, financial and business applications as well as games from concept to prototypes and then to the final product
- Managing projects and delivery performance, focusing on customer satisfaction and high quality
- Overseeing running applications for publishers and media companies
- Taking responsibility for quality, time and budget with help from specifications, project plans, and reports
- Negotiating and coordinating activities with partners and external service providers
- Communicating within our organization and outwards to clients

YOUR PROFILE:

- Proven experience managing technology projects, preferably at international scale and minimum 5 years
- In-depth methodical knowledge of project manager methods, Scrum-Know-How method is a plus
- Strong communication and writing skills in English and German
- Additional language skills would be an advantage, especially Italian and French
- Strong professional communication skills by phone and in person with our clients and partners
- Structured, efficient, and independent working style with outstanding presentation skills
- Bachelor's degree in business technology, marketing, media sciences, business or related fields

WE ARE OFFERING:

- A diverse and varied field of work
- Great corporate culture, flat hierarchies and a high degree of flexibility in the design of the working environment
- Flexible work schedule
- Corporate Benefits
- Home office
- salary according to qualifications
- Opportunity to shape the company and get involved
