### SENIOR TECHNICAL PROJECT MANAGER (F/M/D)

#### US VERY BRIEFLY:

kr3m is the market leader for HTML5 games and technology in DACH among publishers and media houses. Our range of services includes white label portals for casual games, vouchers and FinTech as well as gamification for various purposes and matching marketing campaigns. Our customers include many well-known companies such as Deutsche Bahn, REWE, Rabobank, SWR, Daimler, DER SPIEGEL, ZEIT ONLINE, FOCUS Online, Handelsblatt, Süddeutsche Zeitung, Stern, BILD, BLICK, kurier.at and many more. We are currently expanding internationally.

For more than 20 years we have been implementing marketing games and concepts around gamification for well-known German companies, publishing houses as well as international companies. For 10 years we have been creating FinTech products.

We have an immediate vacancy for a **Senior Technical Project Manager (f/m/d)** in full-time:

#### YOUR TASKS:

- Planning and implementation of multi-lingual gamification apps, financial and business applications and games from concept to prototype to finished product
- Supervision of ongoing multilingual applications for publishers and media houses
- Responsibility for quality, time and budget with the help of specifications, project plans and reporting
- Negotiations and coordination of activities with partners and external service providers
- Internal and external communication

#### YOUR PROFILE:

- At least five years of project management experience in IT projects
- Sound methodological knowledge in project management methods, Scrum know-how is an advantage
- Confident communication in English, both written and spoken
- Additional language skills are an advantage (e.g. Italian, French, Spanish)
- Completed studies in the fields of marketing, media management, economics or business informatics
- Strong communication skills and professionalism in telephone and personal contact with our customers and partners
- Structured, efficient and independent way of working as well as very good presentation skills

**WE OFFER YOU:**

- A diverse and varied field of activity
- A friendly team and an excellent working atmosphere in a familiar and friendly environment with flat hierarchies
- Varied projects
- Flexible working hours
- Corporate benefits
- Home office option
- Payment according to qualification
- The opportunity to jointly shape and develop a company
