WEB CLIENT DEVELOPER (F/M/D)

US VERY BRIEFLY:

kr3m is the market leader for HTML5 games and technology in DACH among publishers and media houses. Our range of services includes white label portals for casual games, vouchers and FinTech as well as gamification for various purposes and matching marketing campaigns. Our customers include many well-known companies such as Deutsche Bahn, REWE, Rabobank, SWR, Daimler, DER SPIEGEL, ZEIT ONLINE, FOCUS Online, Handelsblatt, Süddeutsche Zeitung, Stern, BILD, BLICK, kurier.at and many more. We are currently expanding internationally.

We have an immediate vacancy for a **Web Client Developer (f/m/d)** in full-time:

YOUR TASKS:

- Development of Javascript clients using Typescript
- Creation of HTML5/CSS layouts for our game pages using SASS/SCSS or LESS
- Further development of our in-house Typescript framework
- Search engine optimisation of our web applications
- Evaluation and use of the latest web technologies and JavaScript frameworks
- Permanent and active exchange of knowledge within our team and throughout the company

YOUR PROFILE:

- At least three years of experience as a full-time developer
- Good knowledge of JavaScript (ECMAScript), Typescript, HTML 5 and CSS 3 (SASS, SCS or LESS) as well as experience with at least one current JS framework (jQuery, Bootstrap, etc.)
- Basic understanding of version control such as SVN, Git, etc.
- Optimally, first experience with NodeJS in use as a web server and npm (Node Package Manager)
- Experience with SQL databases (MySQL/MariaDB) an advantage
- Ability to work in a team, self-responsibility, honesty and openness as well as proactivity
- Very good written and spoken German and English skills

WE OFFER YOU:

- A diverse and varied field of activity
- A friendly team and an excellent working atmosphere in a familiar and friendly environment with flat hierarchies
- Varied projects
- Flexible working hours
- Corporate benefits
- Home office option
- Payment according to qualification
- The opportunity to jointly shape and develop a company
